

A light gray, stylized vine and leaf pattern is scattered across the page, framing the central text. The leaves are simple, elongated shapes, and the vines are thin, curving lines.

**The Museum Collection** is a limited-edition wine, that is available only at Gerovassiliou Wine Museum Shop. Only 5 restaurants around the world are authorised by Gerovassiliou winery to serve the Museum Collection wine.

**The Museum Collection White** is combination of five white varieties cultivated on the estate: Malagousia, Assyrtiko, Chardonnay, Sauvignon Blanc and Viognier.

This wine has a bright golden yellow colour and is characterised by the aromas of honey, pineapple, melon, and passion fruit with buttery and nutty hints. Full on the palate, exuberant, with a crisp, long aromatic aftertaste.

Best enjoyed chilled at 10-12 °C.

Food pairing: Fatty fish, molluscs and shellfish, poultry or pork in white sauces, smoked cheeses.

**The Museum Collection Red** is a combination of five red varieties cultivated on the estate: Limnio, Mavroudi, Mavrotragano, Syrah, and Merlot. Following multiple taste trials, Vangelis Gerovassiliou chose oak barrels for the best maturing and sensory characteristics, to create a collectors' wine with rich aromatic characteristics and a long life.

This wine has a bright, deep-purple colour and complex bouquet of ripe dark fruits (wild cherry, gooseberries) as well as smoky and spicy notes, the result of its long interaction with the French oak barrels. Lively on the palate, successfully balancing the well-processed tannins and condensed aroma and giving it a long aftertaste.

Best served at 16-18 °C.

Food pairing: Game, lamb with vegetables, red meat, hard cheeses.
